Hooray for Brenda!

On September 14, 2017 Brenda Rogers, a long time member of our club was hit by a vehicle while walking in a crosswalk. She suffered traumatic injuries. After her sixth and final surgery she began walking without assistance in January, 2019. Overwhelmed by the outpouring of prayers and support she received from the Garden Club

members and the community, she feels truly blessed and grateful. She invited us to attend her talk & luncheon at the Women's Guild at LOW Church on Thursday March 21st.
